Scholarships and Financial Aid

Wayne State College is committed to providing a quality, affordable education for its students. There are several types of financial assistance available for Wayne State students, including grants, loans, work-study and scholarships. The aid packages are composed of money from Pell grants, SEOG grants, SSIG grants, Perkins loans, Stafford student loans, PLUS loans and a variety of scholarships. Contact the Financial Aid Office at (402) 375-7230 for further information.

No special ability scholarships are available in the Economics area. Students are encouraged to contact the Financial Aid Office for state-assisted and/or annual and endowed scholarship information. Scholarships are highly competitive and awarded through an application process.

Program Description

The primary objective of the Economics concentration is to provide a series of educational experiences at the undergraduate level as a basis for a career within the Economics profession. The broad range of core course offerings provides opportunities for individual placement in public, private, or non-profit organizations. Furthermore, the flexibility of elective hours in the major concentration allows individuals desiring a particular career area to achieve some specialization. The Economics program at Wayne State College strives to build professionalism in its graduates. It not only includes an intensive analysis of the Economics discipline, but also requires support educational course work in other areas of business and economics. Upon completion of the program, students will possess the educational background required for most entry-level Economics positions.
