Scholarships and Financial Aid

Wayne State College is committed to providing a quality, affordable education for its students. There are several types of financial assistance available for Wayne State students, including grants, loans, work-study and scholarships. The aid packages are composed of money from Pell grants, SEOG grants, SSIG grants, Perkins loans, Stafford student loans, PLUS loans and a variety of scholarships. Contact the Financial Aid Office at (402) 375-7230 for further information.

No special ability scholarships are available in the Management area. Students are encouraged to contact the Financial Aid Office for state-assisted and/or annual and endowed scholarship information. Scholarships are highly competitive and awarded through an application process.

Program Description

The primary objective of the Management concentration is to provide a series of educational experiences at the undergraduate level as a basis for a career in the profession of Management. The broad range of core course offerings provides opportunities for individual placement in public, private, or non-profit organizations. Furthermore, the flexibility of elective hours in the major concentration allows individuals desiring a particular career area to achieve some specialization. The Management program at WSC strives to produce not only technical expertise but also a professional attitude problem-solving approach. The Management concentration provides intensive study of organizations and people at work over the broad range of managerial activities, plus an integration of other business and non-business disciplines to give a broad base from which to work.
