Career Opportunities

The programs which lead to professional education degrees are accredited by The North Central Association of Schools and Colleges and by the National Council for Accreditation and approved by the Nebraska Department of Education. Graduates may obtain a Nebraska teaching certificate which is recognized by many other states. As a result, many serve as classroom teachers in our nation's schools.

Scholarships and Financial Aid

Wayne State College is committed to providing a quality, affordable education for its students. There are several types of financial assistance available for Wayne State students, including grants, loans, work-study and scholarships. The aid packages are composed of money from Pell grants, SEOG grants, SSIG grants, Perkins loans, Stafford student loans, PLUS loans and a variety of scholarships. Contact the Financial Aid Office at (402) 375-7230 for further information.

The Division of Education offers several scholarships for students majoring in a program in education.

Program Description

The elementary/special education double endorsement features a sequences of courses and experiences which assist pre-service educators in bringing together theory and practice through inquiry and reflection. This special combination program enhances the marketability of graduates.
