

Academic Fact Sheet

PRE-AGRICULTURE

The above program is administered by the Life Sciences Department.

Facts about the Program

Degrees Offered:

Transfer program only

Faculty:

Mark Hammer, Ph.D.
Glenn Kietzmann, Ph.D.

Career Opportunities

Agriculture
Agri-business
Agronomy Research

Program Description

The pre-agriculture program is designed to give the student an excellent background in biology, the physical sciences, along with general education requirements. Specialized courses in agriculture are taken at the College of Agriculture where the student elects to complete his/her degree program. (Specializations in horticulture, agronomy, turf management, animal science, etc., may be made after entering the school of agriculture.)

Scholarships and Financial Aid

Wayne State College is committed to providing a quality, affordable education for its students. There are several types of financial assistance available for Wayne State students, including grants, loans, work-study and scholarships. The aid packages are composed of money from Pell grants, SEOG grants, SSIG grants, Perkins loans, Stafford student loans, PLUS loans and a variety of scholarships. Contact the Financial Aid Office at (402) 375-7230 for further information.

PRE-AGRICULTURE

FRESHMAN YEAR

BIO	110	Biology Concepts	4		* MAT 180	Applied Probability & Statistics	3	
CHE	106	General Chemistry I	4		BIO	210	Botany	4
ENG	102	Composition Skills	3		CHE	107	General Chemistry II	4
* MAT	121	College Algebra	<u>3</u>		CNA	100	Princ. of Human Comm.	3
			14				Gen Ed - Block 3 Electives	<u>3</u>
								17

SOPHOMORE YEAR

BIO	320	Molecular Genetics	4		BIO	200	Zoology	4
BIO	325	Ecology	4		CHE	208	Intro to Organic Chemistry	4
ECO	203	Prin. of Microeconomics	3				Gen Ed - Block 3 Electives	<u>6</u>
		Gen Ed - Block 3 Elective	<u>3</u>					14
			14					

The last two years at a college of agriculture will be largely specialty courses in agriculture.

Participation in this pre-professional program at Wayne State College does not guarantee admission to a college of agriculture.

***Biology degree requires MAT 180. MAT 121 is a recommended prerequisite.**
