BUSINESS SERVICES OFFICE INFORMATION

Account statements will no longer be mailed. Students may access account balance information on-line via WildcatsOnline. Correspondence regarding your student account will be sent to your WSC Willy e-mail account. Be sure to check it regularly. Charges will be based upon current registration information and updated daily. Charges including tuition, fees, room, meal plans, and all other fees that may be assessed are due on or before Monday, August 29, 2011. Any charges assessed to the student's account after this date are due immediately. Accounts not paid in full by the deadline may be subject to non-payment fees and/or withdrawal from classes.

IMPORTANT NOTE: If the WSC Financial Aid Office has not received your required paperwork early enough to complete your financial aid award, you must be prepared to pay the balance due from other means by the due date. Students with changes in enrollment status or amount of expected aid must notify the Financial Aid Office immediately. Recalculation, as a result of such changes, may cause a delay in the release of financial aid funds.

IMPORTANT NOTE: Students with financial aid in excess of total charges will be issued a refund check. These checks should be available in the Business Services Office on **Friday, September 2, 2011**. However, checks will not be released until all account holds (parking violation, library fine, etc.) have been cleared.

Enrollment for the semester is considered complete only after check payment for charges has cleared the bank. When paying by check, you expressly authorize Wayne State College, if your check is dishonored or returned for any reason, to electronically debit your account for the amount of the check plus a processing fee not to exceed the state maximum legal limit (plus any applicable sales tax). The use of a check for payment is your acknowledgement of this policy and its terms.

TUITION & FEE ADJUSTMENTS AND SCHEDULE CHANGES

Tuition and fees will be adjusted for changes made through Sunday, August 28, 2011. After that date, there will be no adjustment in tuition or fees or any refund if a class is dropped.

WSC PAYMENT PLAN

A payment plan that offers a low cost option for budgeting tuition and other educational expenses is available. Contact Business Services for information. The plan requires a \$25.00 per semester non-refundable enrollment fee.

Payment methods include ACH from a checking or savings account or by credit card (American Express, Discover, or MasterCard). **All monthly payments will be processed on the 5th of each month.**

The Business Services Office may adjust your plan balance if your account balance or financial aid package change.

THIRD PARTY BILLING AUTHORIZATION

If you wish to authorize the Wayne State College Business Office to release and discuss your student account information with anyone other than yourself you will need to complete the Billing Authorization section of the Wayne State College Payment Agreement form. Note: This may include but is not limited to your parents, legal guardians, and/or any third party making payments on your behalf.

National Guard members who wish to receive military tuition assistance must submit their class schedule to their unit by the unit deadline and provide appropriate verification of enrollment by the start of the semester.

Members of the **Army Reserve** must submit their tuition credit application to the Financial Aid Office as soon as it is received from their commanding officer, but by the start of the semester.

Veterans: Remember that if you drop or withdraw from a class which brings your class load below the required full-time level, three-quarter level, etc. or if you withdraw from school without extenuating circumstances, your benefits will be adjusted or terminated retroactively to the beginning of the semester instead of from the date of withdrawal. You will be required to reimburse the VA for payments received. The Chapter 33 (Post 9/11) GI Bill students must immediately notify the Registrar of any schedule changes. Benefits are adjusted accordingly for any change in credit hours, not just a change in full-time/part-time status as for other Chapters.

ROOM & BOARD ADJUSTMENTS

Changes/additions to room & board should be made through the Residence Life office **no later than Friday, August 26, 2011.**

PARKING PERMITS

Parking permits may be purchased at the Business Services Office. Full year permits are valid from the first day of the Fall semester up to the first day of the subsequent Fall semester. **Vehicles parked on campus without a valid permit will be ticketed.** Parking regulations are in effect 24 hours a day, 365 days a year.

COMPLETE WITHDRAWAL FROM SCHOOL

Students will receive a prorated adjustment for Room & Board which is charged through the last day of the week in which the student properly checks out of the dorm after withdrawal. Tuition and Fee adjustments for withdrawal from school will be determined by the Business Services Office based on the schedule in the college catalog.

***THERE WILL BE NO TUITION & FEE ADJUSTMENT BECAUSE OF REDUCTION IN LOAD AFTER THE LAST DAY TO DROP/ADD.**

***ALL FINANCIAL AID MUST BE RETURNED IF COMPLETE WITHDRAWAL FROM SCHOOL IS DURING THE FIRST TWO WEEKS OF THE SEMESTER.**

STUDY WEEK/FINAL EXAM POLICY

The following study week guidelines regarding exams and class projects shall be observed by faculty and students, as approved by the Faculty Senate on 8/27/93:

RE: Drug Free Schools and Campuses Act

In compliance with the Department of Education's (34 CFR Part 86) requirements you are hereby notified of the expected standards of conduct regarding the unlawful use of drugs or alcohol on college property or in any college sponsored activity. In addition, this document will describe legal sanctions (local, state and Federal), health risks, available assistance and treatment avenues as well as college imposed disciplinary measures.

1. Standards of Conduct: The following are deemed to be misconduct and subject to disciplinary action.
 - A. Alcohol Use - The illegal possession or illegal consumption of alcoholic beverages on college owned or controlled property, or at college sponsored or supervised events.
 - B. Drug Use - Possessing, distributing, using, or selling illegal drugs or any other controlled substance or agent having the potential of abuse, except pursuant to a physician's or dentist's prescription, or possessing paraphernalia for drug use on college owned or controlled property or at university sponsored or supervised events.
2. Students are subject to all applicable legal sanctions under local, state and Federal law regarding unlawful possession or distribution of illicit drugs and alcohol. These sanctions may include incarceration and/or fines for those found guilty under these sanctions.
3. The health risks of using illegal drugs and the use of alcohol are difficult to predict due to the unknown chemicals involved in these substances. These health risks may be severe and lead to permanent impairment or even death. Even occasional use or experimentation can have significant negative consequences. The diminishment of intellectual ability, personality disintegration and long term genetic damage are not uncommon occurrences among drug and alcohol abusers.
4. Assistance is available through the Counseling Center (located in the Student Center), the Student Health Center (located in the Student Center), or any of the area community agencies, or private treatment centers for students seeking help for problems associated with illegal drug and alcohol use.
5. The College will impose disciplinary sanctions on students for violation of the student conduct code relating to alcohol or drug use. Consult the current Student Handbook.

It should be emphasized that when a student's violation of the law also adversely affects the College's pursuit of its recognized educational objectives, the College may enforce its own regulations regardless of any civil proceeding or dispositions. When students violate a college regulation they are subject to disciplinary action by the College whether or not their conduct violated civil law. If a student's behavior simultaneously violated a college regulation and the civil law, the College may take disciplinary action independent of that taken by civil authorities. When students violate laws off campus, they may incur penalties described by civil authorities. College discipline will be initiated for instances of student misconduct off campus which distinctly and adversely affect the college's pursuit of its recognized educational purposes.

Disciplinary measures appropriate to the offense up to and including dismissal from the College may be imposed.

Student Right-to-Know

Student Right-to-Know and Campus Security Act, Public Law 101-542, requires that institutions of higher education provide information on their graduation rates to currently enrolled and prospective students. Wayne State College graduation rates are available through the office of the Vice President for Student Affairs.

Privacy Act

The Family Education Rights and Privacy Act protects the student's right to privacy. The law does allow the institution to share, without written permission of the student, "directory information." At Wayne State College that information consists of the following: (a) name, address (including e-mail), and telephone number; (b) date and place of birth; (c) major field of study; (d) participation in officially recognized activities and sports; (e) weight and height of members of athletic teams; (f) dates of attendance; (g) degrees and awards received; (h) most recent previous educational institution attended; (i) full/part time enrollment; (j) and year in college. Any Wayne State student who wishes to have directory information protected must complete a special form supplied by the Office of Records and Registration, Hahn 105. This form must be completed and returned to the Office of Records and Registration within ten (10) days following the publication of the privacy announcement in the college newspaper each fall to prevent name and address information from appearing in the campus directory.
