SUMMER REGISTRATION BEGINS MONDAY, MARCH 1, 7:30 am for ALL STUDENTS

It is very important that everyone planning to attend any of the summer sessions register as soon as possible; registration is open through the second day of each session.

Wayne State College reserves the right to cancel classes with enrollment below established minimums. If the college determines the class is to be cancelled, students registered in the class will be notified at least one week prior to the first day of that class.

IMPORTANT REGULATIONS

Students may register for a maximum of four hours during the May session and seven hours during the June or July session, except with approval of the Registrar for undergraduates or the appropriate Dean for graduate students. To take more than these maximum hours if at least one class extends over two sessions please call the Records & Registration Office – 1-800-228-9972 Ext. 7239 or Continuing Education Office – 1-800-228-9972 Ext. 7217 for a manual override and official enrollment.

Students must earn at least 12 hours every two years to retain the privilege of continuing on their present program. Students who fail to earn 12 hours in any two-year period will have to meet the graduation requirements and academic regulations current at the time they re-enroll.

Courses numbered 100-199 ordinarily are for freshmen or sophomores; courses numbered 200-499 are for sophomores, juniors and seniors; 500-599 for either seniors or graduate students; and 600-699 for graduate students only. 700-level courses are primarily for students enrolled in the Education Specialist degree program; however, graduate students may be admitted with the permission of the advisor and the Dean of the School of Education & Counseling. Tuition charges changed in fall 2004. Students now pay tuition based on the course level rather than the student classification. Courses numbered 100-499 are assessed undergraduate tuition; courses numbered 500-799 are assessed graduate tuition.

Anyone planning to take courses at another school to apply to a program at Wayne State College should contact the Office of Records & Registration for the proper procedure for prior approval.

Enrollment certification for **veteran's benefits** requires verification by individual summer session. For this purpose only, full-time enrollment for each session is as follows: May - 2 cr. hrs; June and July - 4 cr. hrs. each.

FINANCIAL AID

Federal Financial aid policy requires enrollment in a minimum of twelve total credit hours of summer school coursework to be considered full-time. Please contact the Financial Aid Office for summer financial aid information and requirements.

Summer school students needing a student loan deferment must be enrolled at least half-time (unless the loan agreement specifically requires full-time attendance). For deferment purposes half-time for students in undergraduate programs is six (6) credit hours over the course of the summer. For students enrolled in graduate programs it is five (5) credit hours.

WebCat - PROCEDURES TO REGISTER • WSC Students can register on the Web.

1. New undergraduate and graduate students need to contact the Admissions Office for application and registration. Former students need to contact the Records and Registration Office to get their PIN mailed. That number is 402-375-7239.
2. Undergraduate students will meet with their academic advisor to plan classes for the summer sessions.
3. After approving class selections, the academic advisors will “release” students to register on the Web for each summer session. Students will need academic advisor approval for each session in order to access their registration screen for all the individual summer sessions.
4. Students can find WebCat on the WSC home page and will log in using their Campus-Wide ID (or Social Security number) and PIN number (students who lost or forgot PIN numbers – please go to the Records and Registration Office for assistance).
5. After signing on to WebCat, follow registration instructions on the screen. A registration hold will prevent on-line registration.
6. Registration will begin on Monday, March 1 at 7:30am for ALL STUDENTS. Registration will remain open through the end of the second day of each session.

WebCat registration option is usually available Monday-Saturdays from 7:30am-2:00am the following morning and on Sundays from 1:00pm-2:00am the following morning.

7. Once a student has registered, he/she is free to drop/add until the end of the second day of classes for each session. It is recommended that students consult with their academic advisors prior to dropping and adding classes.
8. Please Note: Closed classes, directed studies, special projects, independent studies and courses requiring approval will need to be recorded on paper forms and submitted to the Records and Registration Office.
9. Continuing Education students who cannot access their Web screens should call the Continuing Education Office for assistance at 402-375-7217.
10. Graduate students may register online without advisor approval.

Important Final Grade Information – Final grades must be accessed from your WebCat screens. Grade slips are not mailed to students.

TO: All Wayne State College Students
FROM: Jeff Carstens, Dean of Students
RE: Drug Free Schools and Campuses Act

In compliance with the Department of Education's (34 CFR Part 86) requirements you are hereby notified of the expected standards of conduct regarding the unlawful use of drugs or alcohol on college property or in any college sponsored activity. In addition, this document will describe legal sanctions (local, state and Federal), health risks, available assistance and treatment avenues as well as college imposed disciplinary measures.

1. Standards of Conduct: The following are deemed to be misconduct and subject to disciplinary action.
 - A. Alcohol Use - The illegal possession or illegal consumption of alcoholic beverages on college owned or controlled property, or at college sponsored or supervised events.
 - B. Drug Use - Possessing, distributing, using, or selling illegal drugs or any other controlled substance or agent having the potential of abuse, except pursuant to a physician's or dentist's prescription, or possessing paraphernalia for drug use on college owned or controlled property or at university sponsored or supervised events.
2. Students are subject to all applicable legal sanctions under local, state and Federal law regarding unlawful possession or distribution of illicit drugs and alcohol. These sanctions may include incarceration and/or fines for those found guilty under these sanctions.
3. The health risks of using illegal drugs and the use of alcohol are difficult to predict due to the unknown chemicals involved in these substances. These health risks may be severe and lead to permanent impairment or even death. Even occasional use or experimentation can have significant negative consequences. The diminishment of intellectual ability, personality disintegration and long term genetic damage are not uncommon occurrences among drug and alcohol abusers.
4. Assistance is available through the Counseling Center (located in the Student Center), the Student Health Center (located in the Student Center), or any of the area community agencies, or private treatment centers for students seeking help for problems associated with illegal drug and alcohol use.
5. The College will impose disciplinary sanctions on students for violation of the student conduct code relating to alcohol or drug use. Consult the current Student Handbook.

It should be emphasized that when a student's violation of the law also adversely affects the College's pursuit of its recognized educational objectives, the College may enforce its own regulations regardless of any civil proceeding or dispositions. When students violate a college regulation they are subject to disciplinary action by the College whether or not their conduct violated civil law. If a student's behavior simultaneously violated a college regulation and the civil law, the College may take disciplinary action independent of that taken by civil authorities. When students violate laws off campus, they may incur penalties described by civil authorities. College discipline will be initiated for instances of student misconduct off campus which distinctly and adversely affect the college's pursuit of its recognized educational purposes.

Disciplinary measures appropriate to the offense up to and including dismissal from the College may be imposed.

Student Right-to-Know

Student Right-to-Know and Campus Security Act, Public Law 101-542, requires that institutions of higher education provide information on their graduation rates to currently enrolled and prospective students. Wayne State College graduation rates are available through the office of the Vice President for Student Affairs.

Privacy Act

The Family Education Rights and Privacy Act protects the student's right to privacy. The law does allow the institution to share, without written permission of the student, "directory information." At Wayne State College that information consists of the following: (a) name, address (including e-mail), and telephone number; (b) date and place of birth; (c) major field of study; (d) participation in officially recognized activities and sports; (e) weight and height of members of athletic teams; (f) dates of attendance; (g) degrees and awards received; (h) most recent previous educational institution attended; (i) full/part time enrollment; (j) and year in college. Any Wayne State student who wishes to have directory information protected must complete a special form supplied by the Office of Records and Registration, Hahn 105. This form must be completed and returned to the Office of Records and Registration within ten (10) days following the publication of the privacy announcement in the college newspaper each fall to prevent name and address information from appearing in the campus directory.
