

# Shine The Light On Sexual Assault

Sexual Assault is the most under - reported crime in the world. It is an act of violence that silences its victims; forcing them into darkness. The SAVE Program is sponsoring Shine the Light on Sexual Assault. We encourage faculty, staff, and students to use car headlights, candles, lamps, or flashlights to develop awareness about sexual violence. By "Shining the Light on Sexual Assault", we are removing the power of the darkness of sexual assault and forcing "light" onto this subject so that people can talk about it and hopefully work together to eliminate it.
