(TRUST) Coalition Agenda  
May 16, 2008**

**Present:** Kathy Mohlfeld, Lin Brummels, Michelle Meyer, Jeff Carstens, Curt Frye, Deb Scholten, Julie Rother, Lynn Sievers, Heather Reinhardt, Nancy Hartnett, Shawn Mancastroppa, Cynthia Hruby, Lance Webster.

This meeting was called to order to discuss the Governor's Strategic Prevention Framework State Incentive Grant Application that Kathy Mohlfeld will be writing for the TRUST Coalition (TC). The TRUST Coalition will be partnering with the Northeast Nebraska Public Health Department (NNPHD) in this venture.

The prior focus of the TC has been capacity building of the members. The coalition has also been successful in creating a safe ride program and several other projects. Various ideas were discussed about directions the coalition could expand into with more funding. The coalition members were asked to write a letter of support for the application.

Discussion also emphasized how addressing alcohol issues can affect retention of students at Wayne State and in the community and how that is tied into the mission and vision of WSC.
