

Wayne State College

DRUG-FREE WORKPLACE

DRUG ABUSE AWARENESS FORM

The Nebraska State College Board of Trustees recognizes and affirms its responsibility and commitment to maintain a drug-free workplace environment. Through its Policy Number 5006 the Board prohibits the illegal manufacture, possession, distribution or use of controlled substances in the workplace by employees. In accordance with the requirements of the Board, a complete copy of Policy 5006 is being provided to you for your information and attention.

Wayne State College recognizes drug abuse as a potential health, safety and / or security problem and considers Board Policy 5006 to be an important measure in the effort to provide a drug-free workplace. The College administration urges you to review Policy 5006 and to consult your supervisor with any questions or concerns you may have.

In accordance with Policy 5006, please sign and date the affirmation statement below and return it to the President's Office. Thank you.

I hereby affirm that:

- I have received a copy of the Nebraska State Colleges Board of Trustees Policy Number 5006, which relates to drug-free workplaces
- I understand that this policy makes it unlawful to manufacture, distribute, dispense, possess, or use a controlled substance in the workplace
- I understand and will abide by the drug-free workplace policy
- I am aware of and understand the disciplinary actions which may be imposed for violations of the drug-free workplace policy
