

## Wayne State College Speakers Directory

In order to assist civic groups and media in northeast Nebraska and the surrounding region, Wayne State College has developed this speakers directory.

Listed on the following pages are names of faculty and administrators who have expertise in a broad range of fields. Speaker names are listed following the subjects.

Most presentations are of a lecture/discussion format. Other presentations are appropriately noted: PP - powerpoint; CA - children s activity; DM - demonstration; PR - presentation and WK - workshop.

Our faculty and staff are eager to address groups in Northeast Nebraska and surrounding areas. We believe speaking engagements are an important means through which we can contribute to the development and well-being of the communities in our region.

Please contact our office if you are interested in scheduling one of our speakers. If you can t find the topic you are interested in, please call us. We may be able to line up someone from Wayne State who is not listed.
