For advisement purposes please indicate the level of hours in which you are interested.

High Honors in the Major

This honors recognition is given to the student who has completed a minimum of 12 hours of hours credit in general education as well as an honors project. The student must meet the GPA Criteria for a continuing honors student (3.3 cumulative, 3.3 within honors).

Honors in the Major

This honors recognition is given to the student who has completed a minimum of 6 hours of honors credit in general education as well as an honors project. The student must meet the GPA criteria for a continuing honors student (3.3 cumulative, 3.3 within the honors).

Scholar in the Major

Scholar recognition will be given to the student who does not complete the required number of honors courses to qualify for honors of high seniors, but does complete an honors project. Scholars should be identified by the advising coordinator or the Department chair of the student's major field or endorsement no later than the beginning of the student's junior year (no more than 60 hours) or for transfer students after their first semester in residence. To qualify for the honors project, the student must meet the following criteria: (A) an overall GPA 3.3 or above and a major field GPA of 3.3 or above. Or both of the following criteria: (B) a GPA below 3.3 and major field GPA of 3.5 or above and (C) strong recommendation of the department or of an instructor and the department chair.
