

PLAN FOR SENIOR HONORS COLLOQUIUM 499

The supervising instructor and the student should complete this form. After final approval, a copy will be returned to the instructor and two copies to the student. The student must take a copy to the Registrars Office in order to be officially enrolled in Senior Honors Colloquium.

Please note that your 395 and 499 projects are distinct and separate courses, and while the projects can be (and often are) closely related the two projects cannot share the same title.
