## Music Scholarships

The Department of Music awards scholarships to students who plan to major in music and to other talented musicians selected to perform in the college instrumental and vocal ensembles. Students seeking these awards must complete a written application and schedule a live audition (see "How to Apply"). Awards are based on performance quality and potential for success in music. Enrollment at WSC is not required prior to the audition.

On the Scholarship Audition day, there will be other activities taking place. These events are designed to give prospective students an opportunity to meet with other music majors, as well as meet the faculty in their primary area of study. All applicants are encouraged to stay for any or all of the events.
