Law Enforcement Education Waiver

This remission program is provided to eligible law enforcement officers, pursuant to the terms of LB906 (2016). Those who qualify are entitled to a credit of 30% of tuition charges after subtracting awarded federal financial aid grants and state scholarships and grants. For purposes of the program, a law enforcement officer is any person who is responsible for the prevention or detection of crime or the enforcement of the penal, traffic, or highway laws of the State of Nebraska or any political subdivision of the state for more than one hundred (100) hours per year and who is authorized by law to make arrests.

The Law Enforcement Education Act provides to eligible law enforcement officers a waiver of thirty percent (30%) of tuition, after subtracting all other awarded federal and state financial aid, grants, and scholarships. Tuition remissions awarded for online courses will not exceed the comparable amount provided for an on-campus course for a resident student. Students seeking this waiver must apply annually and must comply with all College requirements for continued attendance. A student may receive the waiver for up to five (5) years if the student otherwise continues to be eligible for participation.
