The Fred G. Dale Planetarium presents

“The Great Planetarium Challenge”

After seeing a planetarium show, get your program sheet stamped by the show you watched. As you complete each level, you'll get a special astronomy prize from the Fred G. Dale Planetarium. If you complete all levels, you'll receive a grand prize!

The program sheet is on the second page of this brochure.

If you would like to make a full day of your visit to WSC, we can arrange:

- A tour of the campus
- A science demonstration show
- A visit to our natural history museum
- A math/science trivia contest
