You have a passion for reading and writing. It forms the base of all other learning, and children need guidance in how to do it successfully. The reading and writing (PK-6) supplemental endorsement allows you to teach reading and writing to pre-kindergarten through grade 6. Adding this qualification to your education degree will make you an excellent candidate for an elementary teaching job. With a long-standing, excellent reputation for our education program, Wayne State is the perfect place to begin your career in education.

The reading and writing (PK-6) supplemental endorsement is not a standalone program. You must also select a field endorsement or two subject endorsements to receive your B.A. or B.S.
Supplemental endorsement only. This endorsement cannot exist by itself on a certificate but is added to a certificate only in the presence of other endorsements which may have been acquired earlier or concurrently. Persons with this endorsement may teach reading and writing in pre-kindergarten through grade 6.
