\*Students with previous experience in Spanish may start at a higher level. See advisor for details.

\*\*SPA 303 may substitute for SPA 301 or 302. 306 and 315 are recommended electives in this program.

The four-year plan is provided as a suggestion. Final decisions rests with the student and advisor based on availability of courses. Summer courses are not included in this plan but may be an option. This should be discussed between the student and advisor. Students in this program need to obtain a CNA (Certified Nursing Assistant) license.

#### WSC Requirements:

Students must have a C- or better in BIO 110 and CHE 106 to enroll in BIO 320, BIO 385, and BIO 486.

To graduate, students must pass 120 total credit hours of which 40 hours must be upper level (300 or above) and a 2.75 cumulative GPA.

#### UNMC Requirements:

Students must earn at least a C+ or better and must have a 3.0 cumulative GPA for prerequisite courses (above 3.3 recommended).

# Students must complete these courses within seven years of applying to UNMC Accelerated Nursing Program.
