Counseling & Related Educational Programs*

Counselor Education Program Mission Statement

The mission of the Counselor Education Program is to facilitate the development of professional counselors who collaborate with others for the benefit of self, school, community, and the profession through counseling, social justice, and advocacy. This mission is accomplished through (a) inquiry and reflection, counseling theories, counseling process, and ethics that have supported our profession, and (b) implementation of personal models of counseling and professional skills to facilitate effective social service.

Clinical Mental Health Counseling Program Statistics

Year	Exam Pass Rate*	Career/Placement Rate**
2017	100%* (6 pass/6 total)	100%
