

# CRIMINAL JUSTICE

Careers in the exciting fields of law enforcement, corrections, probation and parole, crime scene investigations, forensics, court and social services, homeland security, and private and corporate security are more popular than ever. For these careers, a degree in Criminal Justice is the perfect route. The Criminal Justice program is designed to provide you with the necessary practical knowledge and skills for rewarding careers in this field. It's also offered online for those who are already working in the field and wish to obtain a degree. The Criminal Justice degree program covers the basis for understanding the economic, political, and social environments in which the criminal justice process operates, which means you have the flexibility to apply your degree to a variety of careers.
