Your student’s FAFSA (Free Application for Federal Student Aid) was selected for review in a process called “Verification.” As part of this process, WSC is required by Federal regulation to collect information to verify that the FAFSA is accurate. If any differences are found, we will make corrections electronically on their behalf and they will receive an updated Student Aid Report (SAR).

Provide the following documentation - We must have this completed form, a copy of your W-2’s if applicable, and a confirmation of non-filing from the IRS in order for us to proceed with processing the student's financial aid. The confirmation of non-filing can be requested using the IRS Form 4506-T.
