

First Responder Tuition Waiver Application and Verification

This remission program is provided to eligible law enforcement officers, professional firefighters, and their dependents pursuant to the terms of the First Responder Recruitment and Retention Act (§85-2601 through 85-2604 and sections 110, 112, and 113 of LB727[2023]). Those who qualify are entitled to a credit of 100% of tuition charges after subtracting awarded federal financial aid grants and state scholarships and grants. This waiver is available for fall, spring, and summer terms during the applicable academic year.

For purposes of the program, a law enforcement officer is any person who is responsible for the prevention or detection of crime or the enforcement of the penal, traffic, or highway laws of the State of Nebraska or any political subdivision of the state for more than one hundred (100) hours per year and who is authorized by law to make arrests. A professional firefighter is a firefighter or firefighter-paramedic who is a member of a paid fire department of a municipality or a rural or suburban fire protection district in Nebraska, including a municipality having a home rule charter or a municipal authority created pursuant to a home rule charter that has its own paid fire department, and for whom firefighting is a full-time career.

The First Responder Recruitment and Retention Act provides to eligible law enforcement officers, professional firefighters, and their dependents a waiver of one hundred percent (100%) of tuition, after subtracting all other awarded federal and state financial aid, grants, and scholarships. Tuition remissions awarded for online courses will not exceed the comparable amount provided for an on-campus course for a resident student.

Students seeking this waiver must apply annually and must comply with all College requirements for continued attendance. A student may receive a waiver for up to five (5) years if the student otherwise continues to be eligible for participation. **Prior to receiving the tuition waiver, a dependent of a law enforcement officer or professional firefighter must sign an agreement committing to reside within Nebraska for a period of five (5) years following the use of the tuition waiver or be required to repay the College the amount of the tuition waiver provided.**
