_____ **High Honors in the Major** (*recommended for incoming students*)

This Honors recognition is highly recommended to incoming students. It is awarded to the student who has completed a minimum of 12 hours of Honors credit in general education courses (usually during the freshman-sophomore years) as well as two Honors projects (usually during the Junior and Senior years). The continuing Honors student must meet GPA criteria (3.3 cumulative, 3.3 within Honors courses).

_____ **Honors in the Major**

This Honors recognition is awarded to the student who has completed a minimum of 6 hours of Honors credit in general education courses (usually during the freshman-sophomore years) as well as two Honors projects (usually during the Junior and Senior years). The continuing Honors student must meet GPA criteria (3.3 cumulative, 3.3 within Honors courses).

_____ **Scholar in the Major**

Scholar recognition will be awarded to the student who does not complete the required number of Honors courses to qualify for High Honors or Honors in the Major, but does complete two Honors projects (usually during the Junior and Senior years). The continuing Honors student must meet GPA criteria each (3.3 cumulative, 3.3 within Honors courses).
