

MIDDLE LEVEL EDUCATION

Subject endorsement to teach grades 5-9

Are you ready to take on the world of junior high and the surrounding grades? This world will be filled with adolescents – an exciting yet sometimes scary time for pre-teens and teens. But as a teacher, you'll be there to be a positive influence in their lives. With the Middle Level Education endorsement, you'll be qualified to teach grades 5-9. You'll get a variety of students and ages, all looking to you to guide them through this phase in life. With a longstanding, excellent reputation for our Education program, Wayne State is the perfect place to begin your career in education.

The Middle Level Education (5-9) endorsement is a standalone subject endorsement, with one core subject area required. However, you are encouraged to choose a second subject area or any other subject endorsement to receive your B.A. or B.S.

fast facts

Credit hours: Varies depending on subject area choice(s). Minimum is 63.

Student learning outcomes

Middle Level program

Teacher candidates who successfully complete the Middle Level Education endorsement will be able to:

- Utilize evidence-based inclusive practices to develop meaningful learning experiences for students in middle and secondary school settings (grades 5-9 in selected content areas)

Education programs

Teacher candidates who successfully complete an education preparation program at Wayne State will be able to:

- Create environments that support individual and collaborative learning using knowledge of how students grow and develop, along with individual differences and diverse cultures. (InTASC Standards 1-3)
- Plan for instruction by applying content knowledge, a variety of instructional strategies, and multiple methods of

assessment to connect concepts for learners in real-world applications. (InTASC Standards 4-8)

- Engage in ongoing professional learning and use evidence to reflect on and adapt practice to meet the needs of each learner. (InTASC Standard 9)
- Seek leadership roles and opportunities to take responsibility for student learning, to collaborate with stakeholders, and to advance the profession. (InTASC Standard 10)
