## Summer Registration

Summer registration begins at 7:30 a.m. Monday, November 4, 2024, for all students.

It is very important that everyone planning to attend any of the summer sessions register as soon as possible. Registration is open through the second day of each session.

Wayne State College reserves the right to cancel classes with enrollment below established minimums. If the college determines the class is to be canceled, students registered in the class will be notified at least one week prior to the first day of that class.

## Important Regulations

Undergraduate students may register for a maximum of 18 hours during the summer term, usually limited to 4 hours in the 3-Week Session, 7 hours in each 5-Week Session, or 9 hours in the 8-Week Session, except with approval of the registrar or appropriate dean. Graduate students may register for a maximum of 9 hours during the summer term except with approval from the appropriate dean. Contact the Records and Registration Office at 1-402-375-7239, or the Distance and Continuing Education Office at 402-375-7256.

Undergraduate students must earn at least 12 hours every year to retain the privilege of continuing their present program. Otherwise, they must meet the graduation requirements and academic regulations current at the time they re-enroll.

Courses numbered 300 and above are upper-level credit. Course numbers 100-199 ordinarily are for freshmen or sophomores; courses numbered 200-499 are for sophomores, juniors, and seniors; 500-599 are for senior or post-graduate students; 600-699 are for post-graduate students only; and courses numbered in the 700s are for students in the Education Specialist program; however, graduate students may be admitted with the permission of the advisor and the Dean of the School of Education and Behavioral Sciences.

Anyone planning to take courses at another school to apply in a program and qualify for financial aid at Wayne State College, including through the Nebraska State College System Joint Enrollment program, should contact the Records and Registration Office for prior approval. Effective

summer 2019 only transfer grades of C- or above are acceptable.

## Student Financial Services Information

Students must access account balance information via WildcatsOnline. Account statements will not be mailed. Information regarding your student account will be sent to your WSC email account. Be sure to check it regularly. Charges will be based upon current registration information and updated daily. Charges, including tuition and all other fees, that may be assessed, are due on or before:

May 13 (3-Week, 8-Week, and 13-Week sessions)  
June 3 (First 5-Week, and 10-week Session)  
July 8 (Second 5-Week Session)

Please contact the Student Financial Services Office at 402-375-7229 for questions relating to tuition and fees. For information about and to sign up for the monthly [payment plan](http://www.MyCollegePaymentPlan.com/waynestate), go to [www.MyCollegePaymentPlan.com/waynestate](http://www.MyCollegePaymentPlan.com/waynestate).

**Important note:** If the Student Financial Services office has not received your required paperwork early enough to complete your financial aid award (i.e. tuition waiver, Pell, SEOG, NOG, Direct Stafford Loan, Direct Parent PLUS Loan, Foundation scholarship, room or board waiver, employee or dependent tuition waiver), you must be prepared to pay the balance due through other means by the due date. Students with changes in their enrollment status or with their amount of expected aid must notify the Student Financial Services Office immediately. Recalculation, because of such changes, may cause a delay in the release of financial aid funds.

You may access your account information and pay your balance with a debit/credit card or e-check via WildcatsOnline or you can mail payment to WSC Student Financial Services, 1111 Main St., Wayne, NE 68787, or in person at the Hahn Administration Building, Room 104. Enrollment for the semester is considered complete only after check payment for charges has cleared the bank. When paying by check, you expressly authorize Wayne State College, if your check is dishonored or returned for any reason, to electronically debit your account for the amount of the check plus a processing fee not to exceed the state maximum legal limit. The use of a check for payment is your acknowledgement of this policy and its terms.

## Room and Board

Residence hall rooms may be contracted for any of the summer sessions. Please contact the Residence Life office for details at 402-375-7318.

## Summer Financial Aid

Requirements to receive financial aid for summer:

- Complete the 2024-25 [Free Application for Federal Student Aid \(FAFSA\)](#) at [www.studentaid.gov](http://www.studentaid.gov).
- Undergraduate students must be enrolled in at least six summer session hours to be eligible for federal aid.
- Graduate students must be enrolled in a least five summer session hours to be eligible for federal aid.
- Maintain satisfactory academic progress.

The summer session is considered a “trailer” to the 2024-2025 financial aid year. Since aid programs have annual maximums, a student would only have eligibility remaining if they haven’t used their annual amount in the fall and spring semesters.

Federal Financial Aid policy requires enrollment in a minimum of 12 total credit hours for undergraduates (9 hours for graduates) of summer school coursework to be considered full time.

Summer school students needing a student loan deferment must be enrolled at least half-time (unless the loan agreement specifically requires full time attendance). For deferment purposes, half time for students in undergraduate programs is 6 credit hours over the course of the summer. For students enrolled in graduate programs it is 5 credit hours. Please contact the Student Financial Services office at 402-375-7229 with any questions regarding your student financial account.

## Financial Account Authorization

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of your education

records as a student. If you wish to authorize the Student Financial Services Office to release and discuss your student account information with anyone other than yourself, you will need to grant parent or guest access by selecting the “Parent/Guest Access” button in “My Links” section on the profile tab in WildcatsOnline.

Note: This may include, but is not limited to your parents, legal guardians, and/or any third party making payments on your behalf.

**Military members** who wish to receive state/federal tuition assistance must submit requests prior to the deadline to receive tuition assistance. Repeat classes will not be approved for tuition assistance.

**Veterans:** Remember that if you drop or withdraw from a class which brings your class load below the required full-time level, three quarter level, etc., or if you withdraw from school without extenuating circumstances, your benefits will be adjusted or terminated retroactively to the beginning of the semester instead of from the date of withdrawal. You will be required to reimburse the VA for payments received. The students receiving Post 9/11 GI Bill (Chapter 33) payments must contact the registrar to change total enrolled hours for a term since those benefits are paid by the credit hour.

## Payment Plan

Nelnet Campus Commerce is a tuition management plan that offers a low-cost option for budgeting tuition and other educational expenses.

The plan requires a \$30 per semester non-refundable enrollment fee. Payment methods include ACH from a checking or savings account or by credit card (American Express, Discover, Visa, or MasterCard). All monthly payments will be processed on the fifth of each month. Your payment plan balance will automatically update if your account balance or financial aid package change.

The Summer 2025 payment plan will be available April 15, 2025.

Last day to enroll	Required down payment	Number of additional payments	Payment dates
April 30	0%	3	May 4, June 5, July 5
May 23	33%	2	June 5, July 5
June 20	50%	1	July 5

## Complete Withdrawal from School

Students will receive prorated adjustments for housing and food as determined by the Residence Life Office. Tuition and fee adjustments for complete withdrawal from school will be determined by the Student Financial Services Office based on the Board of Trustees policy.

\*Financial aid may need to be reduced for a complete withdrawal from school using the federal Return of Title IV calculation or due to a reduction in academic load.

## Course Fees

Some Classes require an additional course fee along with tuition and the regular mandatory fees. See the “Class Notes” section of the “Class Detail” page with the “Class Search” module of WildcatsOnline for more specifics.

# Drug-Free Schools and Campuses Act

**To: All Wayne State College Students**  
**From: C.D. Douglas, VP for Students Affairs**

In compliance with the Department of Education's (34 CFR Part 86) requirements, you are hereby notified of the expected standards of conduct regarding the unlawful use of drugs or alcohol on college property or in any college-sponsored activity. In addition, this document will describe legal sanctions (local, state, and federal), health risks, available assistance, and treatment avenues, as well as college-imposed disciplinary measures.

1. Standards of Conduct: The following are deemed to be misconduct and subject to disciplinary action.
  - a. Alcohol use – The illegal possession or illegal consumption of alcoholic beverages on college owned or controlled property, or at college sponsored or supervised events.
  - b. Drug use – Possessing, distributing, using, or selling illegal drugs or any other controlled substance or agent having the potential of abuse, except pursuant to a physician's or dentist's prescription, or possessing paraphernalia for drug use on college-owned or controlled property or at university sponsored or supervised events.
2. Students are subject to all applicable legal sanctions under local, state, and federal law regarding unlawful possession or distribution of illicit drugs and alcohol. These sanctions may include incarceration and/or fines for those found guilty under these sanctions.
3. The health risks of using illegal drugs and the use of alcohol are difficult to predict due to the unknown chemicals involved in these substances. These health risks may be severe and lead to permanent impairment or even death. Even occasional use or experimentation can have significant negative consequences. The diminishment of intellectual ability, personality disintegration and long-term genetic damage are not uncommon occurrences among drug and alcohol abusers.
4. Assistance is available through Student Health and Counseling (located in the Student Center) or any of the area community agencies, or private treatment centers for students seeking help for problems associated with illegal drug and alcohol use.
5. The College will impose disciplinary sanctions on students for violation of the student conduct code relating to alcohol or drug use. Consult the current Student Handbook.

It should be emphasized that when a student's violation of the law also adversely affects the College's pursuit of its recognized educational objectives, the College may enforce its own regulations regardless of any civil proceeding or dispositions. When students violate a college regulation they are subject to disciplinary action by the College whether or not their conduct violated civil law. If a student's behavior simultaneously violated a college regulation and the civil law, the College may take disciplinary action independent of that taken by civil authorities. When students violate laws off campus, they may incur penalties described by civil authorities. College discipline will be initiated for instances of student misconduct off campus which distinctly and adversely affect the College's pursuit of its recognized educational purposes.

## Student Right to Know

Student Right-to-Know and Campus Security Act, Public Law 101-542, requires that institutions of higher education provide information on their graduation rates to currently enrolled and prospective students. Wayne State College graduation rates are available through the office of the Vice President for Student Affairs.

## Privacy Act

The Family Education Rights and Privacy Act (FERPA) protects the student's right to privacy. The law does allow the institution to share directory information without written permission of the student. At Wayne State College that information consists of the following:

1. Student's name
2. Permanent address (limited to the identification of city, state, and country)
3. Participation in officially recognized activities and sports
4. Weight, height, and photographs of athletic team members
5. Degrees, honors, and awards received
6. Major field of study
7. Dates of attendance (only the beginning and end dates of the semester)
8. Year in school
9. Enrollment status (full- or part-time)
10. The most recent previous educational agency or institution attended

Any Wayne State student who wishes to have directory information protected can do so through WildcatsOnline or by submitting written notification to the Records and Registration Office.
