SFS Information

Students must access account balance information via WildcatsOnline. Account statements will not be mailed. Information regarding your student account will be sent to your WSC email account. Be sure to check it regularly. Charges will be based upon current registration information and updated daily. Charges including tuition, fees, housing, food plans, and all other fees that may be assessed, are due

on or before Tuesday, Sept. 2, 2025. Any unpaid charges on the student's account after the 12th day of the term may be subject to late fees, and the student may be withdrawn from classes.

Important note: If the Student Financial Services office has not received your required paperwork early enough to complete your financial aid award (i.e. tuition waiver, Pell, SEOG, NOG, Direct Stafford Loan, Direct Parent PLUS Loan, Foundation scholarship, Housing waiver, employee or dependent tuition waiver), you must be prepared to pay the balance due through other means by the due date. Students with changes in their enrollment status or with their amount of expected aid must notify the Student Financial Services Office immediately. Recalculation, as a result of such changes, may cause a delay in the release of financial aid funds.

Important note: Students with financial aid in excess of total charges will be issued a refund check or can elect direct deposit. Direct deposit refunds will be available 3-5 business days from the date of refund processing. The initial paper checks will be available in the Student Financial Services Office on Friday, Sept. 5, 2025 (subject to change); however, checks will not be released until all accounts (parking violation, library fine, etc.) have been cleared.

Payment

Tuition and fees are due by Tuesday, Sept. 2, 2025. Enrollment for the semester is considered complete only after payment for charges has cleared the bank.

Payment may be in the form of online check (e-check) available through WildcatsOnline. Please verify your checking or savings account number and routing transit number and make sure you have sufficient funds before making a payment.

If you choose to pay by check, and your check is dishonored or returned for any reason, we will electronically debit your account for the amount of the check, plus a processing fee, not to exceed the state maximum legal limit. The use of a check for payment is your acknowledgement of this policy and its term.

To pay by personal check or money order make payable to Wayne State College and mail to: WSC Student Financial Services, 1111 Main Street, Wayne, NE 68787. Please include Campus ID in the memo section of the check.

Debit or credit card payments are not accepted in person or over the phone at the Student Financial Services office. Payment by debit or credit card must be made online through WildcatsOnline. All payments are required to be received or posted by the tuition/fee due date to avoid a late fee.

Effective July 1, 2023, a 2.85% nonrefundable convenience fee will be added to all card payments. This charge is assessed by and paid directly to our payment processor CASHNet SMARTPAY – Higher One, Inc.

Tuition and Fee Adjustments and Schedule Changes

Tuition and fees will be adjusted for changes made through Sunday, Aug. 24, 2025, to receive a 100% tuition and fee adjustment. Through Sunday, Aug. 31, there will be a 50% adjustment in tuition or fees for individual dropped classes that meet the full semester. All classes dropped after Sunday, Aug. 24, will be given a grade of a W.

Housing Adjustments

Changes or additions to housing should be made through the Residence Life Office no later than Friday, Aug. 15, 2025.

Financial Account Authorization

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of your education records as a student. If you wish to authorize the Student Financial Services office to release and discuss your student account information with anyone other than yourself, you will need to grant parent or guest access by selecting the “Parent/Guest Access” button in “My Links” section on the Profile tab in WildcatsOnline. Note: This may include, but is not limited to your parents, legal guardians, and/or any third-party making payments on your behalf.

Military members who wish to receive state/federal tuition assistance must submit requests prior to the deadline to receive tuition assistance. Repeat classes will not be approved for tuition assistance.

Veterans: Remember that if you drop or withdraw from a class which brings your class load below the required full-time level, three-quarter level, etc. or if you withdraw from school without extenuating circumstances, your benefits will be adjusted or terminated retroactively to the beginning of the semester instead of from the date of withdrawal. You will be required to reimburse the VA for payments received. The chapter 33 Post 9/11 VA students must contact the registrar to change total enrolled hours for a term since those benefits are paid by the credit hour.

Payment Plan

Nelnet Campus Commerce is a tuition management plan that offers a low-cost option for budgeting tuition and other educational expenses. The plan requires a \$30 per semester non-refundable enrollment fee.

Payment methods include ACH from a checking or savings account or by credit card (American Express, Discover, Visa, or MasterCard).

All monthly payments will be processed on the fifth of each month.

Your payment plan balance will automatically update if your account balance or financial aid package change.

Fall 2025 payment schedule available July 22, 2025.

To enroll in a Nelnet payment plan, log into WildcatsOnline and select enroll in payment plan on the Student Accounts tab.

Last day to enroll online	Required down payment	Number of payments	Months of payments
Aug. 1	0%	4	August-November
Aug. 21	25%	3	September-November
Sept. 2	50%	2	October-November

Course Fees

Some classes require an additional course fee along with tuition and the regular mandatory fees. See the “Class Notes” section of the “Class Detail” page within the “Class Search” module of WildcatsOnline for more details.

Complete Withdrawal from School

Students will receive prorated adjustments for housing as determined by the Residence Life Office. Tuition and fee adjustments for withdrawal from school will be determined by the Student Financial Services office based on Federal guidelines for return of aid.

*All financial aid must be returned if a complete withdrawal from school is during the drop/add period of the semester or due to non-attendance in all courses.

*A percentage of federal financial aid may have to be returned for a complete withdrawal from school after the drop/add period of the semester using the federal Return of Title IV Funds calculation or due to a reduction in academic load.

Parking Permits

Student parking permits may be obtained online via WildcatsOnline through the parking permit application. Please allow two business days for processing time prior to picking up your permit. Permits will not be processed on weekends and/or Holidays. Permits are available in the Student Affairs Office, Room 201, Kanter Student Center. Please be prepared to present valid photo identification to obtain your permit. Full-year permits are valid from the first day of the fall semester up to the first day of the subsequent fall semester. Vehicles parked on campus without a valid permit will be ticketed.

Parking regulations are in effect 24 hours per day, 365 days per year.

Drug-Free Schools and Campuses Act

To: All Wayne State College Students
From: C.D. Douglas, VP for Students Affairs

In compliance with the Department of Education's (34 CFR Part 86) requirements, you are hereby notified of the expected standards of conduct regarding the unlawful use of drugs or alcohol on college property or in any college-sponsored activity. In addition, this document will describe legal sanctions (local, state, and federal), health risks, available assistance, and treatment avenues, as well as college-imposed disciplinary measures.

1. Standards of Conduct: The following are deemed to be misconduct and subject to disciplinary action.
 - a. Alcohol use – The illegal possession or illegal consumption of alcoholic beverages on college owned or controlled property, or at college sponsored or supervised events.
 - b. Drug use – Possessing, distributing, using, or selling illegal drugs or any other controlled substance or agent having the potential of abuse, except pursuant to a physician's or dentist's prescription, or possessing paraphernalia for drug use on college-owned or controlled property or at university sponsored or supervised events.
2. Students are subject to all applicable legal sanctions under local, state, and federal law regarding unlawful possession or distribution of illicit drugs and alcohol. These sanctions may include incarceration and/or fines for those found guilty under these sanctions.
3. The health risks of using illegal drugs and the use of alcohol are difficult to predict due to the unknown chemicals involved in these substances. These health risks may be severe and lead to permanent impairment or even death. Even occasional use or experimentation can have significant negative consequences. The diminishment of intellectual ability, personality disintegration and long term genetic damage are not uncommon occurrences among drug and alcohol abusers.
4. Assistance is available through Student Health and Counseling (located in the Student Center) or any of the area community agencies, or private treatment centers for students seeking help for problems associated with illegal drug and alcohol use.
5. The College will impose disciplinary sanctions on students for violation of the student conduct code relating to alcohol or drug use. Consult the current Student Handbook.

It should be emphasized that when a student's violation of the law also adversely affects the College's pursuit of its recognized educational objectives, the College may enforce its own regulations regardless of any civil proceeding or dispositions. When students violate a college regulation, they are subject to disciplinary action by the College whether or not their conduct violated civil law. If a student's behavior simultaneously violated a college regulation and the civil law, the College may take disciplinary action independent of that taken by civil authorities. When students violate laws off campus, they may incur penalties described by civil authorities. College discipline will be initiated for instances of student misconduct off campus which distinctly and adversely affect the College's pursuit of its recognized educational purposes.

Student Right to Know

Student Right-to-Know and Campus Security Act, Public Law 101-542, requires that institutions of higher education provide information on their graduation rates to currently enrolled and prospective students. Wayne State College graduation rates are available through the office of the Vice President for Student Affairs.

Privacy Act

The Family Education Rights and Privacy Act (FERPA) protects the student's right to privacy. The law does allow the institution to share directory information without written permission of the student. At Wayne State College that information consists of the following:

1. Student's name
2. Permanent address (limited to the identification of city, state, and country)
3. Participation in officially recognized activities and sports
4. Weight, height, and photographs of athletic team members
5. Degrees, honors, and awards received
6. Major field of study
7. Dates of attendance (only the beginning and end dates of the semester)
8. Year in school
9. Enrollment status (full- or part-time)
10. The most recent previous educational agency or institution attended

Any Wayne State student who wishes to have directory information protected can do so through WildcatsOnline or by submitting written notification to the Records and Registration Office.
