2026-27 Academic Year

SUPPLY CHAIN MANAGEMENT MBA

Master of Business Administration (MBA)

Convenient, affordable, and fully accredited, the online MBA in Supply Chain Management at Wayne State will equip you with the skills needed to excel in today's complex, data-driven supply chain industry. Based on a solid core of graduate-level business topics, the Supply Chain Management focus also provides a deeper dive into technical project management and data analysis skills that can prepare you to lead and coordinate across multiple departments and locations. You'll learn essential tools to help you analyze data, forecast demand, and make data-backed decisions. Additionally, hands-on simulations will allow you to apply what you learn to real-world challenges. This MBA SCM online offers a well-rounded blend of strategic insight, technical expertise, and hands-on experience, positioning you for impactful leadership roles in supply chain processes.
