2026-27 Academic Year

WAYNE STATE COLLEGE

SUPPLY CHAIN MANAGEMENT GRADUATE CERTIFICATE

Certificate of Advanced Studies

In today's fast-paced, global economy, supply chain professionals are essential to keeping goods and services moving efficiently from suppliers to consumers. Wayne State's Certificate of Advanced Studies in Supply Chain Management equips you with the practical skills and strategic insight needed to optimize every stage of the supply chain - from sourcing raw materials to final consumer delivery. Designed for working professionals and recent graduates alike, this program provides targeted expertise in predictive analytics, project management, and information systems technology - skills that are vital for driving performance, reducing costs, and enhancing customer satisfaction in any industry. This certificate program includes the supply chain specialization courses from Wayne State's IACBE-accredited online MBA in Supply Chain Management. Upon completion, you'll have the option to seamlessly continue into the full MBA by completing the core business curriculum.
